EDUCATE. ENLARGE. EMPOWER.

Humble beginnings...

one-man operation
from a basement

(Literally) Bright futures!

Since then, we have grown and now have a new, large office with weekly volunteer mentors as critical resources to over 25 students year-round.

EDUCATE. ENLARGE. EMPOWER.

We envision a future for our community and students, in which we are all connected, empowered, enabled and are all learning from each other.

Together, let us go beyond a dream and create a new reality!
